03.

Demonstration

<https://www.mintree.app-maville.com/>
<https://mintreee.gitbook.io/starting/>

Analysis

Strength

- Connecting to the real world
- Environmental Awareness
- Gamification

Weakness

- Partnership with the tree planter and the game editors

Opportunities

- Extend from tree to Endangered Species (Whale / Panda ...etc)

Threat

- The trend of NFT
- Immaturity of technology
- Early market

Thank you!
